REMEMBER

God's faithful love is constant.—Psalm 52:1

READ

Understanding something as big as God can be hard to do. But starting with the concepts of God's love, timing, presence, and goodness will plant seeds that will continue to grow for a lifetime. As we listen and obey what we know to be true about God, He will reveal more and more about Himself to us through His Word, wise teachers, and time with Him. Philippians 4:8–9 reminds us that when we focus on the good and remember what we've learned, God's peace will be with us through it all.

THINK

1. How do you show your love to others?
2. How does God show His love for you?
3. How do you know that God is near?
4. What is your most favorite time? What is your least favorite time?
5. What is something "lovely" that you can focus on today?

DO

Fill the air with God thoughts.

1. Get a large sheet of blue paper (or color one blue).
2. Cut out (or color) several fluffy, white clouds.
3. On one cloud, write, "God is . . ."
4. On the other clouds, write different words that describe what God is to you.
5. Glue or tape the clouds around the blue sky.
6. Hang your God thoughts where they will remind you of what God means to you.

*Focusing on God's goodness
will fill our lives with His peace.*
