REMEMBER

Therefore, submit to God. But resist the Devil, and he will flee from you.—James 4:7

READ

Read Philippians 4:11-13. In this passage, Paul, one of the first warriors for Jesus, shares that the secret to avoiding temptation is to be content. Sometimes we are tempted to disobey God when we want something that He doesn't want for us. But, we are forgetting that God is always with us. We can go through want and wealth because our strength and joy comes from Him, and that is more than we could ever need.

THINK

1. When you feel tempted, what can you remember about God?
2. Can you name three awesome things that God has given you that He will never take away?
3. How does it feel to know that God will never leave you?
