**READ:**

God's love was revealed among us in this way: God sent his one and only Son into the world so that we might live through him. —1 John 4:9 CSB

**THINK:**

1. Before God even created the world, He had a plan to save you from your sins and mistakes (2 Timothy 1:9). What does that tell you about how much God loves you?
2. Hunting for Easter eggs and eating candy is fun, but that's not what Easter is really about. Why do we celebrate Easter?
3. So many people still don't understand that Easter is coming, but now you know! Who can you tell about Easter?

**REMEMBER:**

Here is the Lamb of God, who takes away the sin of the world!—John 1:29 CSB
