

# DON'T FORGET TO REMEMBER

ELLIE  
HOLCOMB

ILLUSTRATED BY KAYLA HARREN

Did you know  
creation is talking to you

Wherever you go and  
whatever you do?

The earth will keep giving you clue after clue  
So you won't forget to remember what's true.

When a colorful rainbow  
peeks out through the rain,  
Don't forget to remember  
God's love stays the same.

On glad days and sad days  
God's near and He knows  
He can use any storm to make  
good things grow.

Let the whole earth remind you of what God has said,  
From the moment you wake up till you go to bed.

# Do you ever forget to remember what's true?

Sometimes remembering is hard to do!  
But in this lyrical tale, Ellie Holcomb  
celebrates creation's reminders of God's  
love, which surrounds us from sunrise to  
sunset, even on our most forgetful of days.

ELLIE HOLCOMB began her musical career touring with her husband in the Americana band Drew Holcomb and the Neighbors. Then her solo adventures deemed her a 2014 Dove Award, followed by the hope-inducing *Red Sea Road* album. In 2018, she created a new generation of little fans with her first children's book and album: *Who Sang the First Song?* and *Sing: Creation Songs*. Ellie, her husband, Drew, and their three children live and make music in Nashville.
