

LAUREN CHANDLER

Praise Him!

Illustrated by
MICHELLE CARLOS

Praise Him with the sunrise
When the day begins to dawn.

Praise Him with the singing birds
And with your own sweet song.

Anytime, anyplace— lift your voice in praise!

Follow a child through her day as she goes from sunny morning to stormy afternoon into shadowy night, always full of praise! On each beautiful page, author Lauren Chandler reminds us that God is with us continually—whether our day is dark or bright—and that we need only simple, heartfelt words to praise Him.
